Rules for Public Comment

Meeting of the Town Board of Mount Gilead always include a Public Comment period. The purpose of this time is for members of the community and the general public to make their views known directly to the Town Board. To ensure a fair proceeding for all who wish to speak, please be aware of the following rules that were unanimously adopted in December 2016, that will be observed during all public meetings:

1. All persons wishing to speak shall do so from the podium to ensure an accurate record of testimony. Each person requesting to speak shall do so by signing their name, phone number on the Public Comment sign up sheet and must provide a phone number, address, and/or email address in order. No one is permitted to speak from the audience or interact and/or question the person speaking. This is a public comment session and not a public debate. Open Meetings laws for the State of North Carolina, section 197, pg. 87., and section 239, pg. 105, agree that a Mayor nor the Board of Commissioners are allowed to respond to public comment or debate with a citizen during this time. If a response is necessary, a separate meeting can be called to discuss the issue at hand or if the answer is readily available it will be answered during Department Reports by the Town Manager.
2. Each person who has signed up to speak shall have one opportunity to speak for a period not to exceed 3 minutes in duration. The speaker will not be permitted to speak again once they leave the podium, or their 3 minutes expire.
3. The Board requests that a group be represented by a spokesperson in order to keep repetitive testimony at a minimum. If this spokesperson is representing a group of more than 5 citizens, he/she is afforded the opportunity to speak for a period not to exceed 5 minutes.
4. Town staff will note all comments and provide answers directly to citizens or make information available town-wide during department reports or at the next meeting.
5. Inflammatory or immaterial testimony will not be allowed.
6. In addition to the comment period during the public meeting, individuals can provide written comments to the Town Board of Commissioners by submitting them in writing to the Town Clerk. This can be addressed by email to clerk@mtgileadnc.com or via USPS at PO Box 325, Mt. Gilead, NC 27306.

MEMORANDUM

DATE: March 25, 2024
TO: Mayor and Board of Commissioners
FROM: Dylan Haman, Town Manager
RE: Non-Town Event/Porta John Memo

Mayor and Commissioners,

At the regularly scheduled February Board Meeting you asked me to look into what other towns do to provide porta johns to non-town events. I have reached out to my network to ask what other towns do. I spoke with a number of other managers who have lead over a dozen communities during their careers. None of these communities supply porta johns for non-town events.

Generally, new businesses open to the public are required by the North Carolina State Building Code: Plumbing Code Chapter 403.2 to provide minimum plumbing facilities such as urinals and lavatories.

Furthermore, it is now budget season and staff needs to determine whether the budget should include funding for Porta Johns. This money would come out of the Parks and Recreation budget and would be funded through cuts in other areas of the parks budget.

Staff is requesting guidance from the Town Board regarding how to proceed. We do not have to establish the policy yet, but we do need to know if we should budget for it. If you would like to proceed, we will have the Parks and Recreation Committee work on a policy.

The budget would be as follows:

Table 1 .01 on the Mount Gilead Tax Rate Generates \$8,000

Porta John Payment	\$7,500
--------------------	---------

This budget would total approximately 9% of the Parks and Recreation Budget. If the Town chooses to provide Porta Johns, Staff will work on budget cuts in other areas of the Parks Budget to balance the budget.

Please let us know how you would like to proceed.

Respectfully,

Dylan Haman

MEMORANDUM

DATE: March 25, 2024
TO: Mayor and Commissioners of Mount Gilead
FROM: Dylan Haman, Town Manager
RE: Water Tower Tank Lid Memo

Mayor and Commissioners,

One of your top priorities expressed to staff has been to close out some of the projects that the town has been working on over the years. One of our oldest projects involves the Water Tower Tank Lid that has been sitting on the ground near the Fire Department since 2018.

As you all know (better than I do), the lid was kept after an old Water Tower was demolished. In 2017, the choice was to pay \$22,800 to demolish the Tower or pay \$128,775 to have the tank inspected and painted. There was a local group that wanted to preserve the tower, however, they were given time to raise money needed for preservation and did not raise the necessary funds.

A former Town Manager, Matthew Christian, decided to keep the tank lid and had LKC create rendered Drawings of what a gazebo might look like if the Town utilized the tank lid as a roof. There are no engineered drawings ensuring the safety of the proposed facility.

To date, the Town Board has not approved the Water Tower Gazebo Project, or any budget amendments that would be required for the project.

The Town had looked into building the proposed facility in 2018, but the estimate was over \$50,000. The cost today would be much higher due to inflation and it would also require a true engineered drawing. I have requested a quote from our engineers, and I expect it will be over \$10,000 to develop a safe design.

The tank lid has been sitting on the ground for six years and has multiple holes and weak points which will continue to deteriorate over time. Contact to soil causes corrosion that was never intended for a water tower lid, especially when the surface has not been painted in anti-corrosion material.

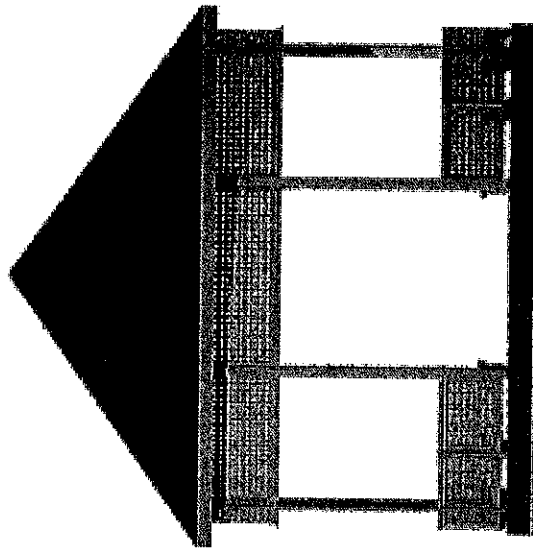

As I see it, the Town has two options to truly close out this project:

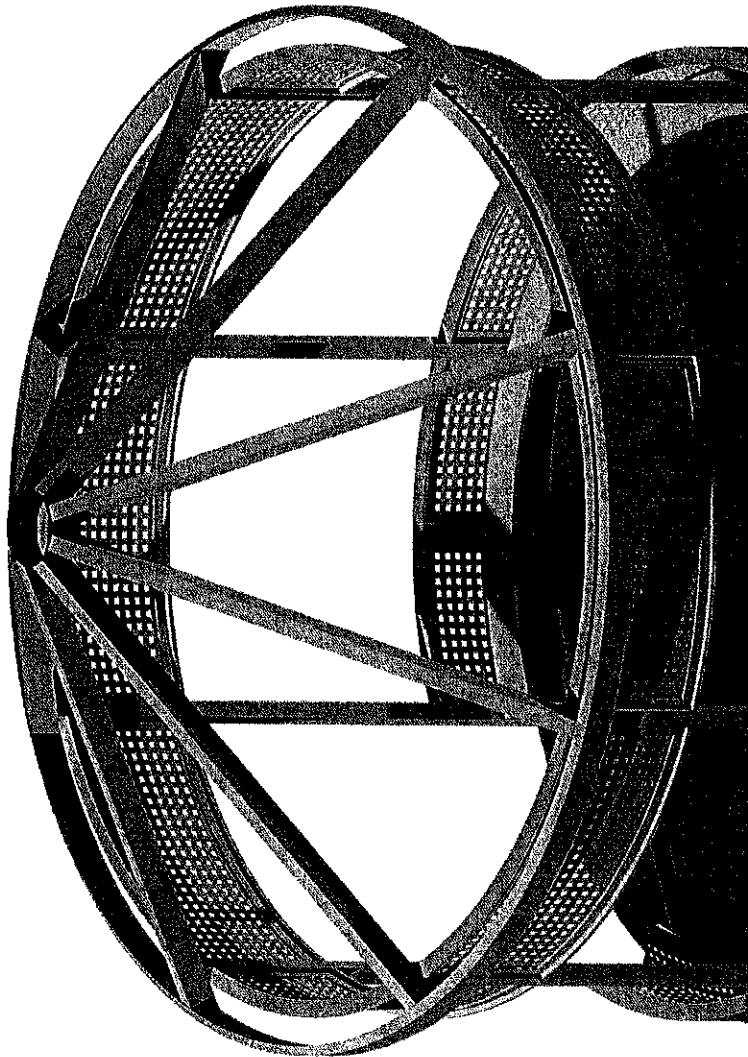

1. Request new bids to proceed with the construction of the Gazebo, likely at a large cost.
2. Attempt to receive salvage value for the lid.

Staff is requesting guidance from the board on how to proceed.

Respectfully,

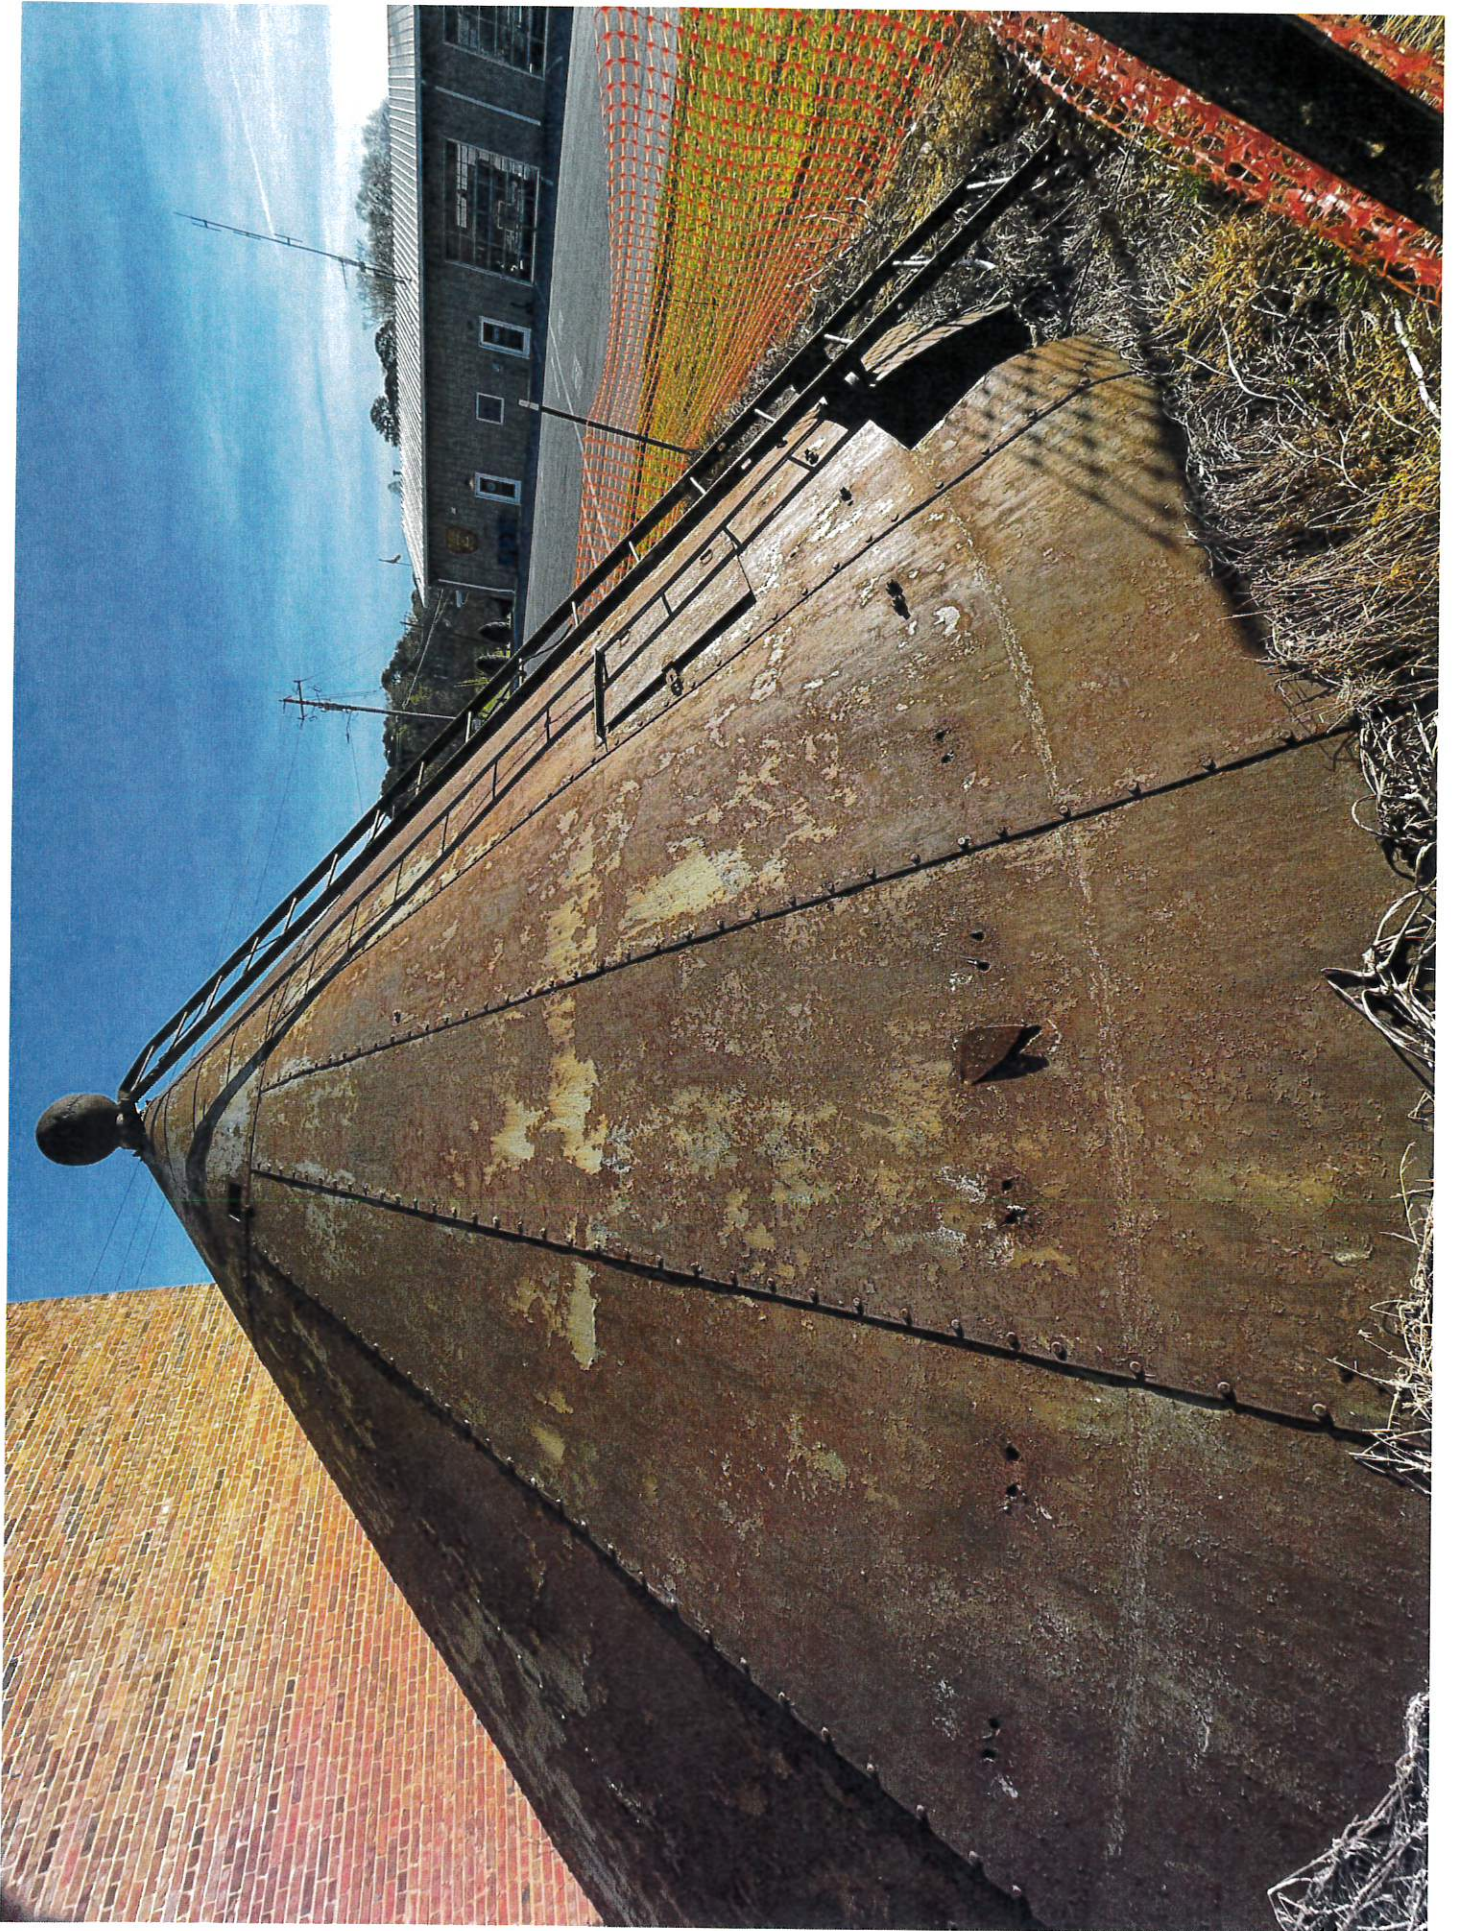

Dylan Haman, Town Manager

A RESOLUTION HONORING ROBERT "BOB" LOWDERMILK

WHEREAS, Robert "Bob" Lowdermilk was born on March 28, 1924, in Mount Gilead, at 204 South School Street, in the front room of the house where he still resides; and

WHEREAS, Mr. Lowdermilk attended school in Mount Gilead and graduated as the valedictorian of his class (Class of 27) in 1941, before continuing his education at NC State University; and

WHEREAS, Mr. Lowdermilk served his country with honor during the War Years of 1943-1946, joining the Army Air Corps, where he received his wings and was commissioned as a second lieutenant, ultimately retiring as a lieutenant colonel in 1984; and

WHEREAS, Mr. Lowdermilk's contributions to the field of engineering are significant, having graduated with a Bachelor of Mechanical Engineering with an aeronautical option in 1949 and working for Lockheed Aircraft, Pratt and Whitney Aircraft, Arco-Lycoming, and AVCO, holding several US patents; and

WHEREAS, Mr. Lowdermilk's dedication to education and community is evident through his tenure as a high school teacher and coach, as well as his active participation in civic and church activities; and

WHEREAS, Mr. Lowdermilk's commitment to family is exemplary, having been married to Margaret Mangum until her passing in 2019, and being a loving father to his two children, Robert S. Lowdermilk Jr. (Bert) and Linda Lowdermilk, and a cherished grandfather and great-grandfather;

NOW, THEREFORE, BE IT RESOLVED, by the Town of Mount Gilead, that Robert "Bob" Lowdermilk is hereby honored for his outstanding service to his country, his contributions to the field of engineering, his dedication to education and community, and his unwavering commitment to family.

BE IT FURTHER RESOLVED, that a copy of this resolution be presented to Robert "Bob" Lowdermilk as a token of the Town of Mount Gilead's gratitude and esteem.

ADOPTED this second day of April, 2024.

Community Garden Update- Embracing Community and Growth

We're thrilled to welcome two new volunteers who are eager to rent and care for beds and help maintain our community bed. Their commitment to our garden's success is truly inspiring. Meanwhile, our Montgomery County Extension Master Gardener Volunteers are continuing to care for their beds, contributing to our garden and helping it grow. The EMGVs ongoing support and dedication are invaluable to our collective efforts.

This month, we had the pleasure of hosting schoolchildren as they cleaned out their winter crops from their beds. Mary Poplin, Vice President of our Extension Master Gardener Volunteers, shared plants from her bed with the kids, while Donna Keesler did the same for the teachers. Everyone went home with freshly harvested cabbages, a reward for their hard work!

In addition, we were honored to give our EMGVs a tour of our garden. Led by Mary Poplin and Owen Washam, our local Extension Agent for Horticulture and Forestry, we delved into our Gathering Garden's past and future aspirations. Together, we reflected on our journey, discussed the importance of community involvement, and shared our plans going forward.

As we eagerly await the growing season, we remain committed to supporting EMGV students and elementary school education in the garden. And of course, we're looking forward to continuing our tradition of giving back to the Mount Gilead Food Pantry with our bountiful harvests.

Thank you to everyone who continues to make our garden a bright spot in our community. Together, we're growing our Gathering Garden!

**Warm regards,
The Gathering Garden**

Date: March 26, 2024

Subject: Mount Gilead Police Department Monthly Report for March 2024

During the month of March, our department participated in two Governor's Highway Safety Campaigns. March 11th through March 17th was the Saint Patrick's Day "Booze it & Lose It" campaign. March 25th through March 31st was the "Speed A Little, Lose A Lot" campaign. These events help address issues such as impaired driving, seat belt use, speeding, distracted driving, motorcycle safety, pedestrian safety and other aspects of roadway safety.

These events provided increased saturation patrols and license checkpoints in our town with the assistance of The Montgomery County Sheriff's Office, Star Police Department, and Candor Police Department. These proactive events along with normal patrol duties ended the month of March with 66 Citations, 38 warning tickets, and 11 arrests.

Administration and Patrol

- The School Resource Officer continues to greet students at MGES and provide a positive environment.
- Officers attended the scheduled grand jury session.
- Officers are continuing to check business doors each night.
- Officers conducted various traffic stops.
- Officers continue to take annual in-service training.
- Ranking officers continue to fill in shifts for officers as needed shift schedule (sickness, training, vacancy etc.).
- Entered IBR (monthly crime report) into the state database for crime statistics.
- Continued entry of SBI Traffic Stop Reports.

- Routinely reviewed body camera videos.

- Continued escorts for businesses as they close at night.
- Department vehicles serviced with oil changes and tire rotations.

MEMORANDUM

DATE: March 20, 2024
TO: Mayor & Board of Commissioners
FROM: Dylan Haman, Town Manager
RE: Manager's Report

Good Wednesday Morning! Below are a few updates from the last couple of weeks:

1. I will be meeting the new Biscoe Manager, Kevin Baughn, today (March 20, 2024) at the Montgomery County Manager's Meeting. We will discuss a few ways that our communities may be able to work together.
2. Staff met with the New Mohawk Plant Manager, Kevin Cabrera, to discuss pathways to complete the Industrial User Permit and build transparency and trust on both our end and their end. It was a very productive meeting, and I think we have begun to develop a solid relationship.
3. Staff is meeting with the Mount Gilead and Lake Tillery Fire Departments tomorrow (March 21, 2024) to discuss potential avenues for providing fire service to the new area. Our state Representative and Senator have asked us to resolve the Fire Service Question before moving forward. I have a number of potential solutions for providing Fire Service, and I think there are pathways to keep everyone happy.
4. LKC Engineering will present the Water and Wastewater Asset Inventories and Capital Improvement Plan at the next Town Board Meeting. This is two grant projects that we can wrap up and get off of our books. This report will analyze the condition of our water and sewer infrastructure and staff is asking the board to adopt the capital improvement plan so that we can follow it for Water/Sewer improvements in future years.
5. Withers Ravenel Engineering will present their plan to design and construct the Lilly's Bridge Force Main at our next regular board meeting. They will present an engineering agreement which staff recommends adopting.
6. I am continuing to work on our upcoming budget. I have a lot of ideas in mind based on our first budget work session. A few of those ideas are included on this email:
 - a. Purchasing 50 new Christmas Lights. We would decommission the old Christmas lights.
 - b. Additional Trash Receptacles on Main roads (one near Parker town, Pleasant Valley road, etc.) where people can more easily dispose of their trash.
 - c. Purchasing new American Flags for Main Street Decorations.
 - d. Budgeting for Public Restroom.
 - e. And more!
7. Vann Dale is meeting with Public Works Director Daniel Medley today at 4:00 to work on the Camera situation at the Water Tower. I intend to be there and see what needs to be done to get the cameras installed and functional.

8. Public Works is currently installing a concrete pad behind town hall which will service two fuel tanks (one diesel and one gas). We will purchase fuel in bulk, which will not only save money, but also ensure that we have a source of fuel continuity in the case of an emergency incident.
9. Staff has reached out to Fidelity Bank to request a prospectus for banking. This is in addition to the First Bank Prospectus that we have already received. Staff recommends reviewing these prospectus' to improve our earnings credit.
10. Our newest Officer, Eric Williamson, came off of his probationary period recently. He has now been with us for one full year.
11. Lessie Jackson Has been clerk for six months. I recommend that the Town Board review her performance in writing at the next Town Board meeting.
12. Public Works Director, Daniel Medley, and his team have repaired East Ingram Street. Before and After Pictures are included below.

MONTHLY HIGHLIGHTS

- 1 Cases have been ABATED.
- 5 New cases opened.
- 1 Notice of Hearing
- Most case in the report are Minimal Housing right now and we are doing our best to get them taken care of. Waiting for new budget to be able to demo a few asap.
- 202 E Allenton St and PID 750313147533 are the same owner and per the nature of the property owner we had to get the town attorney involved. Attorney sent owner a letter.
- PID 7503 09 05 5937 - I have spoken with the property owner who has fixed part of the issue. He is giving the property to Habit for Humanity. They are in the process of transfer.
- 201 Sunrise Ave cleaned up all the Junk Piles around said property and is now ABATED.
- 522 Parkertown Rd is going to remodel the property. They are waiting for drama over there to calm down so they can remodel in peace.
- A number of properties are at the Ordinance stage and I am working to get them in, in a orderly and timely manner.
