Adjourn to the day, time, and location set for the Budget Work Session.

\*\*\*With no more business, Commissioner Richardson made the motion to adjourn the meeting until May 19, 2025 at 6:00 p.m. Mayor Pro-Tem seconded the motion. The motion carried.

## **WWTP MAY MONTHLY REPORT 2025**

All required testing and reports either have been or will be completed and submitted by the end of the month including required annual Proficiency Test WP 363.

Repairs to #1 Aeration surface air lines have been repaired and basin returned online. Due to age (1998) and deterioration, Kemp Construction recommended replacing entire service gridline system next time either basin is drained.

Jim Haithcock continues to spend more time in training at the WWTP and is doing good work.

Cody Caviness spoke with a Veolia service tech and a Veolia consultant who requested him run temperature diagnostics on UV Systems which all checked out good. Cody was communicating with consultant during the diagnostics. Veolia still wants to point toward temp. problems but Cody stated both systems have new AC units and is not the issue and thinks it may be something to do with the bulbs.

Thanks,  
Donna Mills  
WWTP/ORC

Town of  
**MOUNT GILEAD POLICE  
DEPARTMENT**

---

**123 North Main Street - Post Office Box 325  
Mount Gilead, North Carolina, 27306**  
Phone: (910) 439-6711 Fax: (910) 439-1855

**MEMORANDUM**

**To: Michael Ferris  
Town Manager**

**From: Talmedge LeGrand  
Chief of Police**

**Date: May, 2025**

**Subject: Mount Gilead Police Department Monthly Report for May 2025**

This month we had a great time at the May Day parade and event at the Highland Community Center. Thank you for a wonderful time.

An officer assisted with the BBQ sale at First United Methodist Church, and the food was good too.

Officers at the department had our first Coffee With A Cop function at Uptown Coffee Company. Thank you to everyone that came out to talk to your local Police Officers.

The Police Department celebrated the students at MGES by joining them in their Celebration Tuesday event. The Maintenance Department assisted with traffic while the Police Department entered a patrol vehicle in the parade to boost their confidence before they took their EOG's.

## **Administration and Patrol**

- The School Resource Officer continues to greet students at MGES and provide a positive environment.
- Officers attended the scheduled grand jury session.
- Officers are continuing to check business doors each night.
- Officers conducted various traffic stops.
- Officers continue to take annual in-service training.
- Ranking officers continue to fill in shifts for officers as needed shift schedule (sickness, training, vacancy etc.).
- Entered IBR (monthly crime report) into the state database for crime statistics.
- Continued entry of SBI Traffic Stop Reports.
- Routinely reviewed body camera videos.
- Continued escorts for businesses as they close at night.
- Department vehicles serviced with oil changes and tire rotations.

## Rules for Public Comment

Meeting of the Town Board of Mount Gilead always include a Public Comment period. The purpose of this time is for members of the community and the general public to make their views known directly to the Town Board. To ensure a fair proceeding for all who wish to speak, please be aware of the following rules that were unanimously adopted in December 2016, that will be observed during all public meetings:

1. All persons wishing to speak shall do so from the podium to ensure an accurate record of testimony. Each person requesting to speak shall do so by signing their name, phone number on the Public Comment sign up sheet and must provide a phone number, address, and/or email address in order. No one is permitted to speak from the audience or interact and/or question the person speaking. This is a public comment session and not a public debate. Open Meetings laws for the State of North Carolina, section 197, pg. 87., and section 239, pg. 105, agree that a Mayor nor the Board of Commissioners are allowed to respond to public comment or debate with a citizen during this time. If a response is necessary, a separate meeting can be called to discuss the issue at hand or if the answer is readily available it will be answered during Department Reports by the Town Manager.
2. Each person who has signed up to speak shall have one opportunity to speak for a period not to exceed 3 minutes in duration. The speaker will not be permitted to speak again once they leave the podium, or their 3 minutes expire.
3. The Board requests that a group be represented by a spokesperson in order to keep repetitive testimony at a minimum. If this spokesperson is representing a group of more than 5 citizens, he/she is afforded the opportunity to speak for a period not to exceed 5 minutes.
4. Town staff will note all comments and provide answers directly to citizens or make information available town-wide during department reports or at the next meeting.
5. Inflammatory or immaterial testimony will not be allowed.
6. In addition to the comment period during the public meeting, individuals can provide written comments to the Town Board of Commissioners by submitting them in writing to the Town Clerk. This can be addressed by email to [clerk@mtgileadnc.com](mailto:clerk@mtgileadnc.com) or via USPS at PO Box 325, Mt. Gilead, NC 27306.

## MEMORANDUM

<b>Meeting Date:</b> 6/3/2025	<b>Agenda Item Number:</b> IV. A.
<b>Submitted By:</b> Michael Ferris	<b>Department:</b> Administration
<b>Attachments:</b>	
<b>Topic:</b> Conduct a Public Hearing on the Proposed Town Of Mount Gilead Budget for Fiscal Year 2025/2026	

**Staff Summary:** Please bring your copy of the Proposed Budget.

The Proposed Budget was presented at the May 6 meeting of the Board of Commissioners. A printed copy of the Budget was made available at the Town Hall for public inspection. The Budget has also been posted to the Town's webpage and notice made on the Town's Facebook page regarding the public hearing and how to find the Proposed Budget online. The notice of the public hearing was advertised in the Montgomery Herald. Finally, a Staff and Commissioners Budget Work Session was held on May 19.

The Board should conduct the public hearing to allow for public comment. After the hearing is closed, the Board can vote on the Budget proposal. By law, a Budget must be approved by June 30.

<b>Direct Cost:</b>	<b>Line Item Utilized:</b>
<b>Amount Remaining after Action:</b>	<b>In Current Budget:</b>
<b>Plans if Not in Current Budget:</b>	

**Staff Recommendation:** Approve Town Budget for FY 25/26 or provide direction on desired changes.

### Examples of Motions:

**Option #1** - I move to approve the Fiscal Year 2025/2026 Budget as proposed.

**Option #2** - I moved to amend the Proposed Fiscal Year 2025/2026 with the following changes (state desired changes).

**NOTE** – Depending on the degree of any change, the budget approval could occur at the June 3 meeting or require work to adjust the Budget to keep it balanced and therefore require approval at a special meeting.

## MEMORANDUM

<b>Meeting Date:</b> 6/3/2025	<b>Agenda Item Number:</b> V. A.
<b>Submitted By:</b> Michael Ferris	<b>Department:</b> Administration
<b>Attachments:</b> Contract Amendment	
<b>Topic:</b> Consider a Contract Amendment #1 with WithersRavenel	

**Staff Summary:** The Board is being asked to consider an amendment to the Agreement with WithersRavenel Engineering for our Forcemain Project on Lilly's Bridge Road. The agreement includes the additional easements I have discussed with the Board. The original contract allowed for and anticipated 7 off right or way easements. After surveying and field inspections, it was determined that additional easements would be needed. The original thought was 26 additional easements would be needed but that number has been reduced to 21 and the change order reflects an additional costs of \$63,000. Montgomery County has agreed to perform the work to secure easement signatures from property owners, which will save \$52,380. An additional change in the agreement is for the previously authorized structural analysis and design for the placement of the sewer line on the pedestrian bridge. This will allow for the bid package to solicit bids for attaching the new line on the pedestrian bridge and a bid for drilling under the waterway and therefore allow the Town to take the lower cost option. We are still working with our partners on the issue of funding for the anticipated overage, but the work included in the change is necessary for the project to be completed. The total cost of the contract amendment is \$53,745.

Jack Firtzgerald is our lead engineer with WithersRavenel and will attend the meeting. He will be available to answer any questions that arise as well as provide an update on the project.

<b>Direct Cost:</b> \$53,745	<b>Line Item Utilized:</b> 100% Grant Reimbursement
<b>Amount Remaining after Action:</b>	<b>In Current Budget:</b>
<b>Plans if Not in Current Budget:</b>	

**Staff Recommendation:** Approve Contract Amendment #1

### Examples of Motions:

**Approve:** I move to approve Change Order #1 with WithersRavenel

May 27, 2025

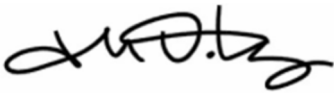

Michael Ferris, Interim Town Manager

# Town of Mount Gilead Mount Gilead, North Carolina Amendment No. 1

## A. Amendment Description

This Amendment is intended to provide an amended scope of services and associated fees to provide consulting services per request of Town of Mount Gilead and formalize an amended agreement for the implementation and logistics for these services.

This Amendment is for additional services associated with easement acquisition for an additional 21 parcels, and structural engineering services for a potential force main attachment to the pedestrian bridge that currently supports the existing force main.

This Amendment is based on the project corridor between Lift Station 6 located at 1853 Lilly's Bridge Road and the Mount Gilead Wastewater Treatment Plant in Montgomery County, Mount Gilead, North Carolina.

## B. Timeline for Services

Consultant will begin scope of work upon receipt of executed Amendment and written notice to proceed from the Town of Mount Gilead Agreement. Proposed modifications to the project schedule are shown in the table below.

Milestone Description	Milestone Date
Design and Bid Package Submittal	July 18, 2025
Design and Bid Package Approval	September 12, 2025
Advertise Project, Receive Bids, Submit Bid Information, and Receive Authority of Award	December 19, 2025
Execute Construction Contracts	January 31, 2026

Certain tasks, such as reviews and approvals, are performed by third parties, including governmental agencies, over which neither Client nor WithersRavenel have control or responsibility. As such, neither party is responsible for delays or the resulting cost impacts caused by third parties.

## C. Scope of Services

Consultant shall provide the services identified under each task below as its "Basic Services" under the Amendment.

### Task 1 - Project Management

NO CHANGE FOR THIS TASK

### Task 2 - Funding Administration

NO CHANGE FOR THIS TASK

### Task 3 - Data Collection

A. Section 3.5. Easements Exhibits and Legal Descriptions will include services for an additional 21

parcels at the current contract unit rate of \$3,000 per parcel. Additional costs are shown in Pay Item 3E in Section E Compensation for Services.

- B. Section 3.6. Easement Acquisition will include only preliminary property valuations for 16 parcels. No other easement acquisition services are included in the Agreement. Reduction of cost is shown in Pay Item 3F in Section E Compensation for Services.

## Task 4 - Design

Consultant will obtain a subconsultant for Structural Engineering Services. The scope of services are outlined below in new Sections 4.2 and 4.3 below.

A. Add Section 4.2:

4.2. Structural Engineering Assessment and Analysis

- a. Review existing plans and inspection reports as available.
- b. Perform a site visit with a 2-person team to physically inspect the existing structure. A boat will be used for "hands-on" inspection.
- c. Estimate remaining life of structure.
- d. Estimate capacity of existing superstructure (steel beams/channels) to determine adequacy for supporting proposed utility.
- e. As is standard practice in load ratings of existing bridges, existing substructure will be assumed to be adequate unless notably deteriorated. (Analysis of substructure not included in scope).
- f. Develop schematic level design of utility attachment.
- g. Provide preliminary cost estimate for utility attachment.
- h. Deliverable: Report summarizing findings/recommendations.
- i. Additional costs are shown in Pay Item 4B in the table below.

B. Add Section 4.3:

4.3. Structural Engineering and Design

- a. Coordinate details (size, weight, etc) of proposed utility line.
- b. Select attachment hardware of sufficient size and strength for the application.
- c. Design and detail modifications required to the existing structural components.
- d. Deliverable: Sealed construction details and specifications for bidding.
- e. Additional costs are shown in Pay Item 4C in the table below.
- f. Special Inspection services during construction by Structural Engineer are not included in this proposal.

## Task 5 - Permitting

NO CHANGE FOR THIS TASK

## Task 6 - Bidding

NO CHANGE FOR THIS TASK

## Task 7 - Construction Administration

NO CHANGE FOR THIS TASK

## Task 8 - Construction Observation

NO CHANGE FOR THIS TASK

### **D. Exclusions/Additional Services/Client Responsibilities**

Special Inspection services during construction by Structural Engineer are not included in this proposal. Further Easement Acquisition Services beyond what has been completed have been removed from this Agreement.

## E. Compensation for Services

Consultant proposes to provide the Basic Services outlined in the Scope of Services on a lump sum or hourly basis with budgets as shown below plus reimbursable expenses in accordance with the Fee & Expense Schedule. The amounts set forth below have been determined based on the nature, scope and complexity of the Project as represented in the information provided to Consultant by Client prior to submittal of this agreement; subsequent changes thereto may result in additional fees.

Task No.	Task Name	Original Agreement	Amendment No. 1	Total
1	Project Management	\$167,500	\$0	\$167,500
2	Funding Administration	\$120,000	\$0	\$120,000
3A	Bathymetric Survey	\$10,000	\$0	\$10,000

## MEMORANDUM

<b>Meeting Date:</b> 6/3/2025	<b>Agenda Item Number:</b> V. B.
<b>Submitted By:</b> Michael Ferris	<b>Department:</b> Administration
<b>Attachments:</b> Draft Resolution and NCLM Alert	
<b>Topic:</b> Resolution to Oppose HB 765	

**Staff Summary:** A Resolution has been drafted to oppose House Bill 765. It appears the bill has been referred to committee; however, elements of it can be included in the State's Budget Bill. Therefore, the Resolution states that the Board opposes HB 765 and "any other legislation or form the contents of the Bill may take". If approved by the Town Commissioners, the Resolution will be provided to the Town's State Legislative delegation, Senator Craven and Representative Huneycutt.

<b>Direct Cost:</b>	<b>Line Item Utilized:</b>
<b>Amount Remaining after Action:</b>	<b>In Current Budget:</b>
<b>Plans if Not in Current Budget:</b>	

**Staff Recommendation:** Approve the Resolution to preserve municipal authority and local decision making.

### Examples of Motions:

**Approve:** I move to adopt the Resolution to Oppose House Bill 765 and authorize sending to the Town's Legislative Delegation

**Deny:** I move to deny adoption of the Resolution to Oppose HB 765.

# ACTION ALERT: Oppose HB 765 Local Gov. Development Regulation Omnibus

This week, the [House Housing and Development Committee](#) passed [HB 765 Local Gov. Development Regulations Omnibus](#), a sweeping measure poised to dismantle local land-use planning and regulations. HB 765 represents an unprecedented shift that strips municipalities of their ability to apply tailored regulatory standards, paving the way for unchecked development in some cases while imposing rigid statewide mandates in others.

**Please contact your [House members](#) NOW and urge them to **OPPOSE HB 765**.** If passed, this legislation would significantly restrict local communities' ability to shape their future, attract economic development, and maintain their unique quality of life.

When you contact your legislators, make it clear that HB 765 will:

- Create a patchwork of state mandates and ban common-sense local land-use practices leading to unregulated and incompatible development, undermining housing affordability, and damaging existing property values.
- Eliminate the decision-making powers granted to locally elected leaders by their voters, subjecting those officials to legal penalties during routine land-use planning decisions, and create unprecedented conflict-of-interest rules.
- Remove the ability of residents and local officials to pursue their unique visions for their communities, which are critical to attracting new residents and new businesses and maintaining their unique quality of life.
- Undermine meaningful public engagement and community involvement in shaping policies that address specific housing needs.

Now is the time to let your legislators know that the bill will harm cities and towns across North Carolina, as well as their residents. **Tell them to please oppose HB 765 Local Gov. Development Regulations Omnibus.**

Refer to [this document](#) for a more detailed look at the bill's provisions, which range from massive changes to conditional zoning to mandated minimum density requirements.

## A RESOLUTION OPPOSING HOUSE BILL 765

**WHEREAS**, North Carolina House Bill 765, entitled Local Government Development Regulations Omnibus, was recently introduced in the North Carolina General Assembly:

**WHEREAS**, NC House Bill 765 contains numerous problematic provisions and would significantly limit the ability of local governments across the state to make decisions regarding local land-use issue;

**WHEREAS**, the bill undermines the authority entrusted to elected municipal officials by their communities to make decisions at the local level, including the reworking of local planning and zoning powers, and including provisions that eliminate local standards entirely;

**WHEREAS**, these limitations negatively impact the ability of communities to ensure public safety and promote walkability, accessibility, and local character;

**WHEREAS**, the bill imposes new civil penalties on local officials for alleged violations of ambiguous rules, potentially exposing elected representatives to legal risk for routine and good-faith decisions made in the public interest;

**WHEREAS**, the bill establishes State mandates, allowing development by right, without public input or review by elected officials, overriding local comprehensive plans and threatening neighborhood character and thereby removing essential tools that municipalities use to protect property values, support responsible growth, attract new businesses and residents, and preserve the unique identity and quality of life; and

**NOW, THEREFORE BE IT RESOLVED**, the Mayor and Commissioners of the Town of Mount Gilead strongly oppose North Carolina House Bill 765 and its negative impact on local self-governance.

**BE IT FURTHER RESOLVED**, the Mayor and Town Commissioners urge members of the General Assembly to reject North Carolina House Bill 765 and any other legislation or form the contents of the Bill may take and instead work collaboratively with municipalities to support local decision-making and responsible community planning.

**BE IT FURTHER RESOLVED** The Town Commissioners of Mount Gilead do hereby adopt this Resolution. This the 3rd day of June, 2025.

## MEMORANDUM

<b>Meeting Date:</b> 6/3/2025	<b>Agenda Item Number:</b> V. C.
<b>Submitted By:</b> Michael Ferris	<b>Department:</b> Administration
<b>Attachments:</b> Budget Amendment Ordinance	
<b>Topic:</b> Consider Budget Amendment in the Water and Sewer Fund.	

**Staff Summary:** The Water and Sewer Fund has had numerous unexpected expenditures. I have kept the Board advised of the issues and needs as they have arisen and also indicated that as we came toward the end of the 25/26 Fiscal Year, a Budget amendment may be necessary. With Water and Sewer issues there is often no option to defer repairs because water and sewer service must be maintained.

This Budget Ordinance ensures the Town will finish the Fiscal Year within Budget authority. This is accomplished by increasing revenues closer to the year to date actual collected level and increases expenditures in the Fund by this same amount (\$180,000). This results in the Budget remaining balanced and does so with current year revenues and does not utilize any savings of the Water and Sewer Fund. We do not anticipate needing the full amount authorized in the amendment unless we have further unforeseen repairs that cannot wait to the new fiscal year. Any funds authorized by this amendment that are not used at the close of the Fiscal Year will be moved to the retained earnings (savings) of the Water and Sewer Fund.

<b>Direct Cost:</b>	<b>Line Item Utilized:</b> See Ordinance
<b>Amount Remaining after Action:</b>	<b>In Current Budget:</b>
<b>Plans if Not in Current Budget:</b>	

**Staff Recommendation:** Approve Budget Amendment Ordinance to maintain a balanced budget and remain within Budget authority in the Water and Sewer Fund.

### Examples of Motions:

**Approve** – I move to approve the Budget Amendment Ordinance to increase the Fiscal Year 25/26 Water and Sewer Fund Budget.

**AN ORDINANCE TO AMEND THE TOWN OF MOUNT GILEAD**  
**BUDGET ORDINANCE FOR FISCAL YEAR 2024-2025**

WHEREAS, The Town of Mount Gilead has the authority pursuant to Article 15 of Chapter 159 of the North Carolina General Statutes; and

WHEREAS, section 159-28 of the North Carolina General Statutes Specifically Requires Available Funds prior to incurring obligations;

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners of the Town of Mount Gilead, that the following amendments be made to the annual budget ordinance for the fiscal year ending June 30, 2025.

Section 1: To amend the Water and Sewer Fund, the following appropriations are to be amended as follows:

<b>DEPARTMENT</b>	<b>FROM</b>	<b>TO</b>
Water & Sewer Operation	\$353,235	\$413,234
Wastewater Collections	\$380,300	\$440,300
Wastewater Plant	\$324,342	\$384,342

This will result in a net increase of \$180,000 in the Water and Sewer Fund.

Section 2: To amend the Water and Sewer Fund, the estimated revenues are to be amended as follows:

<b>REVENUE ACCOUNT</b>	<b>FROM</b>	<b>TO</b>
20-300-10 Sewer Collections – Town	\$475,000	\$655,000

Section 3: Reason – Water and Sewer Expenses are anticipated to exceed original budget authority due to multiple emergency maintenance issues. The amendment keeps Budget within authority. The year-to-date revenue through May 28 in line 20-300-10 (Sewer Collections - Town) is \$660,122. Total year to date Water and Sewer Fund Revenues are \$182,062 above original budget.

Section 4: Copies of this budget amendment shall be furnished to the Clerk to the Governing Board and to the Budget Officer and Finance Officer for their direction.

Adopted this 3rd day of June, 2025 by the Town of Mount Gilead City Council.

**Staff Recommendation:** No recommendation

**Examples of Motions:**

## ❖ The Gathering Garden | May 2025 Garden Report ❖

What a month it's been at The Gathering Garden! We've been busy planting, mulching, weeding, and *growing* together—and we're feeling so grateful for every helping hand, every donation, and every bit of community love that makes this garden possible.

This May, we were thrilled to receive a special donation of pollinator and native plants from **Montgomery Community College**, made possible through a grant from the **Montgomery County Beekeepers Association**. 🐝 Thanks to their generosity, we've been able to fill a bare spot in our pollinator beds, creating a more vibrant and welcoming space for our local bees, butterflies, and other vital pollinators.

We also took a big step forward on our irrigation system! 🌑 Temporary irrigation has been installed in the big bed to keep our new crops thriving through the week. It's not quite finished yet, but it's holding us over until we can complete the full system next Friday.

Our tomatoes and cucumbers are now supported and ready to climb, and we've been busy getting more plants into the ground. Sometimes that means a spontaneous workday—like when one of our new Extension Master Gardener Volunteers, eager to earn her hours, helped lead an impromptu session to tackle our enthusiastic marigolds. They were thriving *too* well in the school beds, crowding out our veggies! So we moved all but one from each bed and gave them a new home around the edges of the big bed, where they'll help keep pests away and add a pop of color.

We're also gearing up for a very special event:

○ **Moon Tree Naming Ceremony** 🌙

**Wednesday, June 4, 2025 | 12:00 p.m.**

203 W Allenton St, Mount Gilead, NC 27306

Join us as we celebrate our NASA Moon Tree—a loblolly pine grown from a seed that orbited the Moon on the Artemis I mission! Students at Mount Gilead Elementary submitted name ideas, and we'll reveal the chosen name at the ceremony. Special thanks to Cathy Horne, Nicole Byrd, and the student council for their work in making this happen.

Of course, we couldn't do any of this without our community's support. A huge thank you to **Unlimited Tree Service** for their generous mulch donation, and to all the volunteers who came out to help us weed, mulch, and tend the beds—including Darlene, our newly minted Extension Master Gardener Volunteer! 🌿

We're in the heart of the growing season, and we'd love to see you out here! ☀️ Work days are **Fridays at 5:00 p.m.**, weather permitting, and we'll keep going until the work is done—usually around 6:00 or 7:00. Whether you're a seasoned gardener or just want to lend a hand, there's a place for you here.

Let's keep growing together! 🌱
