1. All persons wishing to speak shall do so from the podium to ensure an accurate record of testimony. Each person requesting to speak shall do so by signing their name, phone number on the Public Comment sign up sheet and must provide a phone number, address, and/or email address in order. If a response is necessary, a separate meeting can be called to discuss the issue at hand or if the answer is readily available it will be answered during Department Reports by the Town Manager.
2. Each person who has signed up to speak shall have one opportunity to speak for a period not to exceed 3 minutes in duration. The speaker will not be permitted to speak again once they leave the podium, or their 3 minutes expire.
3. The Board requests that a group be represented by a spokesperson in order to keep repetitive testimony at a minimum. If this spokesperson is representing a group of more than 5 citizens, he/she is afforded the opportunity to speak for a period not to exceed 5 minutes.
4. Town staff will note all comments and provide answers directly to citizens or make information available town-wide during department reports or at the next meeting.
